MIDWEST ENERGY COOPERATIVE
Cassopolis, MI 49031**

PREAMBLE

Midwest Energy Cooperative (the “Cooperative”) is an organization owned and controlled by its Members (as defined herein), who directly elect the Cooperative’s governing body and who actively participate in setting policies and making decisions. The Cooperative is committed to creating vibrant, relevant and sustainable rural communities by providing first-in-class innovations and solutions, where others won’t.

These bylaws shall be liberally construed so as to ensure that the Cooperative operates with accountability and transparency to its Members. It is the fundamental philosophy and policy of the Cooperative to conduct its operations with a clear presumption of disclosure to its Members so that in the face of doubt, openness prevails. Members shall have a special right of access, beyond the right of the general public to the policies, procedures, information, meetings, and records of the Cooperative.

ARTICLE I - MEMBERS

Section 1. Qualifications and Obligations. Any natural person, association, corporation, limited liability company, partnership or body politic with the capacity to enter into legally binding contracts (each hereinafter referred to as "person") may become a member of the Cooperative by:

- a) Making application for Membership, in whatever form then specified by the Cooperative;
- b) agreeing to purchase from the Cooperative electric energy services (collectively, “Services”) as hereinafter specified;
- c) agreeing to comply with and be bound by the Articles of Incorporation of the Cooperative and these Bylaws and any amendments thereto and such rules and regulations as may from time to time be adopted by the Board of Directors; and
- d) paying any security deposit, service connection deposit or fee, facilities extension deposit, contribution in aid of construction, and any other fee or charge or combination thereof, as required by the Cooperative.

No persons may hold more than one (1) membership in the Cooperative.

Each association, corporation, limited liability company, partnership or body politic (“Non-natural member”) shall designate its representative (“Representative”) to the Cooperative on its stationary signed by its chief executive officer and file such designation with the Cooperative. Said representative shall be eligible to vote, if all other qualifications are met, on behalf of the Non-natural member.

Upon complying with the requirements of this Section, any person shall be accepted into membership in, and become eligible to receive Services from, the Cooperative, unless the Board shall determine through the prospective member's actions or statements that such person is unwilling or unable to satisfy and abide by the Cooperative's rules or regulations or that for good cause such membership should be rejected.

Section 2. Joint Membership. Two married individuals may jointly become members ("Joint Membership") or convert an individual membership to a Joint Membership in accordance with the foregoing provisions of this section. Holders of a Joint Membership shall enjoy the rights, benefits, and privileges, and are subject to the obligations, requirements, and liabilities, of being a member; shall notify the Cooperative in writing of a cessation of marriage or the death of a holder of a Joint Membership; and shall have a single vote for all matters subject to voting.

Any two or more persons listed jointly on an account may hold a Joint Membership or, if one of them is already a member, may convert such membership into a Joint Membership and, subject to compliance with the requirements set forth in Section 1 of Article I of these Bylaws, be accepted for such membership. The term "member" as used in these Bylaws, shall be deemed to include any two or more people holding a Joint Membership, and any provision relating to the rights and liabilities of membership shall apply equally to holders of Joint Membership.

Without limiting the generality of the foregoing, a Joint Membership shall be as follows:

- a. The presence at a meeting of either or both shall be regarded as the presence of a member;
- b. The presence at a meeting of either or both shall constitute a waiver of notice of the meeting by both;
- c. The vote of either separately or both jointly shall constitute one vote;
- d. A waiver of notice signed by either or both shall constitute notice to both;
- e. Notice to either shall constitute notice to both;
- f. Termination of either shall terminate the Joint Membership;
- g. Withdrawal of either shall terminate the Joint Membership;
- h. Neither shall be permitted to have additional service connections except through their Joint Membership;
- i. Either, but not both concurrently, shall be eligible to serve as a director of the Cooperative;
- j. Upon the death of any person in a Joint Membership, such membership shall continue to be held solely by the survivor(s), in the same manner and to the same effect as though the membership had never been joint; provided, that the estate of the deceased person(s) shall not be released from any debts due the Cooperative;
- k. Upon the separation or divorce of the holders of a Joint Membership, such membership shall continue to be held solely by the spouse continuing to meet the membership requirements who presents their personal affidavit assuming the membership and responsibility of all debts and liabilities owed to the Cooperative or a court order of similar effect provided, that the other person(s) shall not be released from any debts due the Cooperative. In the event of the change in a Member's legal name, an affidavit or court order shall also be required to enact the name change on the membership roster.
- l. A person may convert a single membership to a Joint Membership by complying with the requirements of paragraph A of Section 1 of Article 1 hereof; and

- m. The capital account provided for in Section 2 of Article VII in the name of an individual member who causes such membership to become a Joint Membership, shall upon the creation of such Joint Membership, be vested in capital credits to the order of either or both joint members according to the methods established by the Cooperative.

Section 3. Purchase of Electric Power or Energy/Telecommunication Services. Except as otherwise provided by law, each member shall, as soon as electric power or energy shall be available, purchase from the Cooperative all central station electric power and/or energy for use at the member's in the Cooperative's general territory and shall pay therefor at rates which shall from time to time be fixed by the Board of Directors and approved as may be required by the law. It is expressly understood that all amounts received and receivable for the furnishing of electric power and energy by the Cooperative in excess of its operating costs and expenses properly chargeable against the furnishing of electric power and energy are furnished by members as capital and each member shall be credited with the capital so furnished as provided in these Bylaws. Each member shall pay to the Cooperative such minimum amount as indicated in the tariffs, as shall be fixed by the Board of Directors from time to time and as may be required by law regardless of the amount of electric power or energy consumed. Each member shall also pay all amounts owed by the member to the Cooperative as and when the same shall become due and payable.

Production or use of electrical power or energy on a member's premises, regardless of the source thereof, by means of facilities which shall be interconnected with the Cooperative facilities shall be subject to appropriate regulations as shall be fixed from time to time by the Cooperative and as may be required by law.

The Cooperative shall use reasonably diligent efforts to furnish its members with adequate and dependable electric service, although it cannot and therefore does not guarantee a continuous and uninterrupted supply of power and energy.

With respect to a particular classification of Service, the Board may require a supplemental contract, executed by the person.

Except as otherwise provided by law, a member may purchase from the Cooperative telecommunications services on the member's premises and shall pay therefor at rates which shall from time to time be fixed by the Board of Directors and approved as may be required by the law. It is expressly understood that all amounts received and receivable for the furnishing of telecommunication services by the Cooperative in excess of its operating costs and expenses properly chargeable against the furnishing such services are furnished by members as capital and each member shall be credited with the capital so furnished as provided in these Bylaws. Each member shall pay to the Cooperative such minimum amount as indicated in the tariffs, as shall be fixed by the Board of Directors from time to time and as may be required by law regardless of the level of telecommunication services used. Each member shall also pay all amounts owed by the member to the Cooperative as and when the same shall become due and payable.

Section 4. Member's Responsibilities. Each member shall cause all premises receiving Services from the Cooperative to become and remain wired in accordance with applicable local, state and federal codes, ordinances and statutes.

Each member shall be responsible for and indemnify the Cooperative and its employees, agents and independent contractors against death, injury, loss or damage resulting from any defect or improper use or maintenance of such premises and all wiring and apparatus connected thereto and used thereon.

Each member shall make available to the Cooperative a suitable site, as determined by the Cooperative, whereupon to place the Cooperative's physical facilities for the furnishing and metering of the Services and shall permit the Cooperative's authorized employees, agents and independent contractors to have access thereto safely and without interference for meter reading, bill collecting and for inspection, maintenance (including, but not limited to, vegetation control, tree trimming or removal), replacement, relocation, repair or disconnection of such facilities at all reasonable times and if requested by Cooperative, shall provide an appropriate easement as set forth in Section 5 below.

As part of the consideration for the Services, each member shall be the Cooperative's bailee of such facilities and shall accordingly desist from interfering with, impairing the operation of or causing damage to such facilities, and shall use best efforts to prevent others from so doing.

Each member shall also provide such protective devices and apparatus as the Cooperative shall from time to time require in order to protect the Cooperative's physical facilities and operations, and to prevent any interference with or damage to such facilities. In the event such facilities are interfered with, impaired in their operation or damaged by the member, or by any other cause when the member's reasonable care and surveillance should have prevented such, the member shall indemnify the Cooperative and its employees, agents and independent contractors against death, injury, loss or damage resulting therefrom, including but not limited to the Cooperative's cost of repairing, replacing or relocating any such facilities and its loss, if any, of revenues resulting from the failure or defective functioning of its metering equipment. The Cooperative shall, however, in accordance with its applicable service rules and regulations, indemnify the member for any overcharges for Services that may result from a malfunctioning of its metering equipment or error occurring in the Cooperative's billing procedures.

In no event shall the responsibility of the Cooperative for providing Services extend beyond the point of delivery.

Each member shall participate in any required program that may be established by the Cooperative to enhance load management, to more efficiently conserve electric energy, or to conduct load research.

Section 5. Right of Way Easements. Each member shall, upon request, give to the Cooperative, without compensation therefor, all easements or right of way over, on and under such lands owned or leased by or mortgaged by the member, and in accordance with such reasonable terms and conditions, as the Cooperative shall require for providing the Services (for the member or other customers) for the construction, operation, maintenance, extension to serve or cross adjacent properties or relocation of the Cooperative's electric and telecommunication facilities.

Any person who refuses to grant the Cooperative an easement or easements upon request, thereby causing the Cooperative to circumvent the member's property, may be admitted to membership or retain membership in the Cooperative only upon payment of the actual cost of any line changes made necessary by such refusal.

The Cooperative and a member shall both attempt to informally resolve any disputes arising from the grant or use of any easement by the Cooperative over the member's property. In the event that a dispute arises that cannot be informally resolved between the Cooperative and the member, the sole and exclusive remedy shall be final and binding arbitration. In order to submit the dispute to final and binding arbitration, the member shall, within ten (10) days of notification by the Cooperative that the dispute cannot be resolved as requested by the member, submit the claim according to the rules and procedures prescribed by the American Arbitration Association in accordance with its Commercial Arbitration Rules then in effect. The dispute may be prosecuted only individually, and not as a representative party, member, or other participant in a class action or other representative proceeding

Section 6. Expulsion of Members. The Board of Directors of the Cooperative may, by the affirmative vote of not less than two-thirds (2/3) of the Board members, expel any member who shall have violated or refused to comply with any of the provisions of the Articles of Incorporation of the Cooperative or these Bylaws, or any rules or regulations adopted from time to time by the Board of Directors. The member must be given written notice by the Cooperative of the meeting at which his or her expulsion will be considered at least ten (10) days prior to said meeting. The member is entitled to be present and heard at the meeting and may have counsel present.

Upon such expelled member's assurance that it will comply with any of the provisions of the Articles of Incorporation of the Cooperative or these Bylaws, or any rules or regulations adopted from time to time by the Board of Directors, any member so expelled may be reinstated as a member by a vote of the members at any annual or special meeting of the members or a subsequent vote for reinstatement by not less than 2/3 of the board members. Any expelled member who wishes the membership to vote on reinstatement must deliver written notice to the Cooperative at least ten (10) days prior to the annual or special meeting of members. The action of the members with respect to any such reinstatement shall be final.

In the event of reinstatement, the Board, acting upon principles of general application, may establish such additional terms and conditions for renewed membership as it determined to be reasonably necessary to assure the person's compliance with all membership obligations.

An expelled member may continue to receive electric and/or telecommunication services from the Cooperative but shall not have any rights or privileges of membership. Unless the Board shall expressly so elect in writing, expulsion shall not constitute release of such persons from membership obligations or entitle such expelled person to purchase from any other person electric power and energy for use at the premises to which such electric power or energy service has been furnished by the Cooperative pursuant to such membership.

Section 7. Withdrawal of Membership. Any member may withdraw from membership upon payment in full of all debts and liabilities of such member to the Cooperative and upon compliance with such terms and conditions as the Board of Directors may prescribe.

Section 8. Transfer and Termination of Membership. Membership in the Cooperative shall not be transferable, except as hereinafter otherwise provided, and upon death, cessation of existence, expulsion or withdrawal, the membership of such member shall thereupon terminate. Termination of membership in any manner shall not release the member or his/her estate from the debts or liabilities of such member to the Cooperative.

A membership may be transferred by a member to the member and another person(s) jointly upon the written request of such member and compliance by such named person(s) jointly with the provisions of section 2 (A) of this Article. Such transfer shall be made and recorded on the books of the Cooperative.

Termination of membership in any manner shall operate as a release of all right, title, and interest of the member in the property and assets of the Cooperative.

Upon the dissolution of a partnership or upon the death, withdrawal or addition of any individual partner, such membership shall continue to be held by the remaining and/or partners in the same manner and to the same effect as though such membership had never been held by different partners. Provided, that neither a withdrawing partner nor a withdrawing partner's estate shall be released from any debts then due the Cooperative.

Section 9. Dispute Resolution. A member shall submit any claim or dispute between the member and the Cooperative regarding the Governing Documents, the Cooperative's provision of Electric Service, or other matter to the Board of Directors for resolution before pursuing any other action against the Cooperative, except as provided by law. If the matter cannot be settled by the Board of Directors, the Board of Directors may establish a dispute resolution body to settle such disputes. The body shall be composed of individuals who are approved by both parties to the dispute, which may be members or nonmembers, but not officer or directors of the Cooperative.

Section 10. Petitions. Petitions by the membership authorized under these Bylaws shall be on forms prepared and available from the Cooperative.

With regard to such petitions, the following are required: (a) All members signing such petitions shall include thereon their service address as reflected on the books of the Cooperative; (b) Each member's signature appearing thereon shall be dated as of the date of signing; and (c) The person circulating such petition shall be an active member of the Cooperative and shall indicate under oath or affirmation at the end of each petition sheet his or her service address, account number and that he or she circulated the petition and is acquainted with the persons whose names are affixed thereto and that such persons signed the petition in his or her presence.

Section 11. Membership Dues and Fees. Membership dues and fees shall be determined by the Board of Directors from time to time, with such classifications as may be reasonable. The payment of the membership fee shall entitle the member to one service connection. Additional fees may be required for each additional service connection requested by the member, but no further Membership Fee shall be charged, and no additional memberships shall be created by the creation of additional service connections by the member.

Section 12. Non-liability for Debts. The property of the members shall be exempt from execution for the debts of the Cooperative and no members shall be liable or responsible for any debts, liabilities, or obligations of the Cooperative.

ARTICLE II - MEETINGS OF MEMBERS

Section 1. Annual Meeting. The annual meeting of the members shall be held in the month of April of each year, or such other date as may be designated by the Board of Directors, at such place in a county of the State of Michigan served by the Cooperative as shall be designated in the Notice of the meeting. The purposes of the Annual Meeting are to formally announce the election of Directors and transact such other business as listed in the notice of the Annual Meeting.

Failure to hold the annual meeting at the designated time shall not work a forfeiture or dissolution of the Cooperative.

Section 2. Special Meetings. Special meetings of the members may be called by at least five (5) Directors or upon a written request signed by at least ten (10%) per cent of all the members, and it shall thereupon be the duty of the Cooperative to cause notice of such meeting to be given as hereinafter provided. Special meetings of the members may be held at any place within a county of the State of Michigan served by the Cooperative, specified in the Notice of the Special meeting.

Section 3. Notice of Members' Meeting. Written or printed notice stating the place, day and hour of the meeting, and in case of a special meeting the purpose or purposes for which the meeting is called, shall be delivered not less than fifteen (15) days, nor more than forty-five (45) days, before the date of the meeting, either personally or by mail, by or at the direction of the Cooperative to each member. If mailed, such notice shall be deemed to be delivered when deposited in the United States mail, addressed to the member at the member's address as it appears on the records of the Cooperative, with postage thereon prepaid. The failure of any member to receive notice of meeting of the members, shall not invalidate any action which may be taken by the members at any such meeting.

Section 4. Quorum. Subject to the laws under which the Cooperative is organized, no less than fifty (50) members present in person shall constitute a quorum for the transaction of business at all meetings of the members.

Section 5. Voting. Each member shall be entitled to one (1) vote and no more upon each matter submitted to a vote of the members.

At all meetings of the members at which a quorum is present all questions shall be decided by a vote of a majority of the members voting thereon in person (or by mail, electronic or telephonic ballot if so authorized by the Board of Directors) except as otherwise provided by law, the Articles of Incorporation of the Cooperative, or by these Bylaws.

The Board may decide to present any question to the members for consideration by electronic, telephonic and/or mail ballot only. All questions presented to the membership by mail, electronic or telephonic ballot shall be decided by a vote of a majority of the members voting thereon except as otherwise provided by law, the Articles of Incorporation of the Cooperative, or by these Bylaws; provided, however, that at least 50 members shall have cast ballots.

No member of the Cooperative who has voted by mail or electronic transmission at any meeting of the members shall vote again at such meeting on any matter included in the mail ballot furnished by the Cooperative for such meeting. Any such member may, however, vote at the meeting, on any matter properly brought before the meeting, which was not included in the mail or electronic ballot. No proxies of members shall be allowed.

The Board may, in its sole discretion, decide when voting by electronic transmission shall be authorized or allowed, as well as the procedures to be used for such electronic transmission of member votes, subject only to applicable law. Nothing in these Bylaws or the Articles of Incorporation of the Cooperative is intended to be, nor should be construed as, a guarantee that electronic transmission of votes will take place or be authorized or allowed for any particular matter or election.

Section 6. Order of Business. Except as otherwise provided in these Bylaws, before or at a Member Meeting, the Board of Directors shall determine the agenda, program, and order of business for the Member Meeting. Except as otherwise provided by the Board of Directors, the Chairperson shall preside at the Member Meeting and may exercise duties and take actions reasonably necessary for efficiently and effectively conducting the Member Meeting. The order of business at the annual meeting of the members, and so far as possible at all other meetings of the members, shall be essentially as follows:

- a) Determination of Quorum.
- b) Reading of the notice of the meeting and proof of the due publication or mailing thereof, or the waiver or waivers of notice of the meeting, as the case may be.
- c) Reading of unapproved minutes of previous meetings of the members and the taking of necessary action thereon.
- d) Presentation and consideration of, and acting upon reports of Officers, Directors and Committees.
- e) Unfinished business.
- f) New business.
- g) Adjournment.

Section 7. Voting Districts. The territory served or to be served by the Cooperative shall be divided into nine districts. The southwest Michigan territory (SW Division) shall be divided into seven Districts, each of which shall contain as nearly as possible the same number of members. The southeast Michigan territory (SE Division) shall be divided into two districts, each of which shall contain as nearly as possible the same number of members. Each district shall be represented by one director.

From time to time, the Board of Directors shall review the composition of the Districts. If it is found that inequalities in representation have developed which can be corrected by a redelineation of Districts, the Board of Directors shall reconstitute the Districts, so that the Districts within each Division contain as nearly as possible the same number of members. A member being served by the Cooperative in more than one (1) District shall be entitled to vote in one (1) District only and at the time of application for membership or for additional Services connection the member's residence shall be established as their voting district, if receiving electric service from the Cooperative; otherwise, the location with the longest active electric service shall be designate as the District in which he/she shall vote.

ARTICLE III - DIRECTORS

Section 1. General Powers. The business and affairs of the Cooperative shall be directed by a board of nine (9) Directors, consisting of a Director (a "Director") from each of the Cooperative's nine (9) Director Districts (as defined herein), which shall exercise all the powers of the Cooperative, except such as are by law or by Articles of Incorporation of the Cooperative, or by these Bylaws, conferred upon or reserved to the members or otherwise delegated to the President/Chief Executive Officer. The Board of Directors shall have the ability to appoint Member Advisory Committees.

Section 2. Qualifications and Tenure. To be eligible for election as a Director or to remain a Director, a person must meet the following qualifications (collectively, the "Director Qualifications");

- a) Be twenty-one (21) years of age or older;
- b) Have earned a high school diploma from an accredited institution, or obtained state certification through the General Educational Development tests (GED), by the date of the Annual Meeting of the Members (referred to as "Annual Meeting") at which the Director is elected;
- c) Be a United States citizen;
- d) Be a member in good standing of the Cooperative by having met and adhered to the Cooperative's payment policies in accordance with credit requirements contained in the Cooperative's rules and regulations, as amended from time to time, and any other requirements for membership in good standing established by the Cooperative;
- e) While a Director and during the five (5) years immediately prior to becoming a Director, not have been an employee of the Cooperative;
- f) While a Director, not have a close relative who is an employee or becomes an employee of the Cooperative during the Director's term of office. As used in this section, "close relative" means a person who by blood or in law, including step and adoptive kin, is either a spouse, domestic partner, child, grandchild, parent, grandparent, brother, sister, aunt, uncle, nephew, or niece;

- g) Have his or her Primary Residence receiving continuous electric service from the Cooperative for one year and be located at the beginning of the calendar year of the election in the District for which election is sought. Primary residence shall be determined based on factors including, but not limited to, real property rights, homestead exemption, voter registration location, and address on a driver's license ("Primary Residence")
- h) Annually complete and sign a conflict-of-interest certification and disclosure form approved by the Board of Directors;
- i) While a Director and during the three (3) years immediately prior to becoming a Director, not sought to advance or have advanced a:
 - i. Competing Interest with the Cooperative;
 - ii. Financial Interest that would likely impair the ability of the Director to serve the best interests of the Cooperative; or
 - iii. Conflicting Position that would likely impair the ability of the Director to serve the best interests of the Cooperative.

A "competing interest with the Cooperative" exists when judgment concerning the Cooperative (such as financial, legal or general business decisions) is influenced or may be reasonably influenced by another interest (such as financial or non-financial gain or interest).

A "Financial Interest" is likely to impair a Director's ability to serve the best interests of the Cooperative if that Director has received more than ten percent (10%) of the Director's annual gross income from serving as an employee, consultant, or contractor with or for a person or an entity that has done business with the Cooperative in the preceding three years.

A "Conflicting Position" is likely to impair a Director's ability to serve the best interests of the Cooperative if there exists a possibility of that position requiring the Director to make business, legal, or policy decisions adverse to the Cooperative or its membership. Examples of such conflicting positions include, but are not limited to:

- i. Serving as an employee, consultant, or contractor assigned to negotiating or managing contracts with the Cooperative for any person or entity that has been a consultant, contractor, vendor, or bidder of the Cooperative during the preceding three years; or
 - ii. Having held an Executive level or Board position of a financial institution that has held Cooperative assets during the preceding three years.
- j) Not be or have been convicted of a misdemeanor involving moral turpitude or a felony pursuant to state or federal laws;
 - k) Not have been previously removed or disqualified as a Director as provided for under these Bylaws;
 - l) Have the capacity to enter into legally binding contracts;

- m) Be willing to devote such time and effort to his or her duties as a Director as may be necessary to oversee the Cooperative's business and affairs including: except as otherwise provided by the Board of Directors for good cause, beginning with election to the Board of Directors, attend at least seventy-five (75) percent of all regular and special called Board Meetings during each period from Annual Meeting to Annual Meeting; and obtain the Credentialed Cooperative Director (CCD) designation from National Rural Electric Cooperative Association (NRECA) within the first eighteen (18) months after election to the Board; attend state and national association meetings and Director continuing education training as needed to maintain current knowledge and improve awareness of potential risks to the Cooperative;
- n) Not be employed by another Director or be employed by an entity over which another Director exercises substantial control;
- o) Execute and provide the relevant documents, waivers, or other materials reasonably needed to verify satisfaction of these qualifications, including criminal background checks to be performed by the Cooperative. A person subject to this provision shall not be requested or required to provide personal or business tax returns, financial or business records, or non-public, personal details unless legal counsel has justified and certified in writing that conformity with Director Qualifications cannot be determined without such records. If such certification is made and the records are provided, the Cooperative and its agents shall not publicly disclose such records except with the consent of the person providing them, or in the course of a legal proceeding or as required by law;
- p) While a Director, act in good faith and represent the best interests of the Cooperative as a whole, representing all members on an impartial basis.

Except as otherwise provided in these Bylaws, a Director's term is three (3) years and until a successor Director is elected ("Director Term"); which may be more or less than three (3) full years depending on the actual dates of the Annual Meeting and service through the Annual Meeting in the third year after such Director's election. The terms shall be staggered such that three (3) Directors are elected annually, with the original staggering determined by the Board of Directors. Three years shall be measured as the period from the date of the Annual Meeting at which the Director's election is announced until the date of the Annual Meeting in the third (3) year after the announcement of such Director's election. A Director Term begins immediately upon adjournment of the Annual Meeting at which the Director's election is announced. A Director Term ends immediately upon adjournment of the Annual Meeting at which his or her successor's election is announced. Nothing in this section shall affect in any manner whatsoever the validity of any action taken at any meeting of the Board of Directors. Any Director may succeed himself or herself.

No member shall be eligible to become or remain a Director who is not a bona fide member and whose Primary Residence is in the particular District which he/she is to represent, or who is in any way employed by or financially interested in a competing enterprise or a business selling electric energy, telecommunication services or related supplies to the Cooperative.

Section 3. Nominations of Directors. Candidates for Directors must be members residing in the District to be served, and must possess the qualifications for Director specified in Article III, Section 2 of these Bylaws.

Nominations for Directors may be made by written Petition, in the form provided by the Cooperative, executed by thirty (30) or more members with Voting Residence (as defined herein) within the Director District for which the election is being held ("Director Nomination Petition"). Attached to the Director Nomination Petition shall be: biographical information about the person seeking nomination ("Nominee") in the form specified by the Cooperative; conflict-of-interest certification and disclosure form approved by the Board of Directors, signed by the Nominee, which shall be made available to the membership. Consent to the release of background information is required to be electronically executed within five (5) business days from receipt of the request for such check to be conducted. The form for Director Nomination Petitions will be made available at all offices and on the Cooperative's website. The written Director Nomination Petition and all accompanying materials must be delivered to the Cooperative's headquarters office not later than (five) 5 p.m. on the last business day established by the Cooperative, provided that it is at least ninety (90) days prior to the Annual Meeting. Following receipt of required materials, the Board of Directors shall direct General Counsel to validate that the Director candidate meets all of the required qualifications for Directorship as described in Article II, Section 2 of these Bylaws.

For purposes of signing a Director Nomination Petition, but not for purposes of establishing Primary Residence for eligibility to serve as a Director, a member shall be deemed to have residence ("Voting Residence") in the Director District in which the member uses electric service. If a member uses electric service in more than one (1) Director District, the member shall be deemed to have a Voting Residence in the District in which the member resides. If the member's residence is not in the Cooperative's service territory, then the voting residence shall be at the location that first used, and continues to use, electric service.

Section 4. Elections of Directors. Not less than sixty (60) nor more than ninety (90) days before the Annual Meeting, the Board of Directors shall cause an election of Directors in the appropriate Districts to be held. The election shall be held by electronic, telephonic and/or mail ballot. Each member may cast one vote in his/her Voting District for one candidate. The candidate receiving the highest number of votes shall be considered elected as Director to represent the District. If there is only one person nominated for the position of board member from a District, that person shall be deemed to be elected, and ballots shall not be processed, mailed or tabulated for such District.
